AA	Feature Photography	Third	The Sun Journal	Big Sky High School	Aaron Toney	Good use of light and framing. However, you have framed out his hand in an awknerd way. Either zoom in lighter and make it more about the face. Or if it is about his gesture to the cross we need the hand to make it stronger. Good job getting out to an event to shoot.
AA	Feature Writing	Third		Big Sky High School	Aaron Toney	A rice music feature on a high school DJ.
AA	News Photography	Second	The Sun Journal	Big Sky High School	Macki Cummings	Great idea for a news photograph. Construction always affects people at those facilities. Good idea being close to your subject and making the photograph have impact. However, you also need the photograph to tell us the story without a caption. And it is a little hard to see what he is doing. So find another angle that will make that action more dominant.
AA	News Writing	Third	The Sun Journal	Big Sky High School	Maddie Crandell	Maddle's story plays a critical role of explaining the mid-term elections to a high school audience. I like the idea of using a poll of students to bring an esoteric story into the school setting, but also you need to be clear about how many people took the poll and be clear of how scientific it is.
AA		Second	The Sun Journal	Big Sky High School		This sale has made some real strides and is a strong contended for the best in the state. The design is sold, the content diverse. Consider what the individual story pages look like and how you use photos in those pages. But still, the sale is a strong orby.
