

Greetings from the UM School of Journalism!

High School Journalism Day

THURSDAY | ~~APRIL 18TH~~ APRIL 23rd

DON ANDERSON HALL
THE UNIVERSITY OF MONTANA
MISSOULA, MT

We've been hosting this day of workshops, awards and camaraderie for six years now and hundreds of students attend from all over Montana.

But we think YOU should take advantage of the opportunity for your students, teachers and staff! So consider this a special invitation to come over the mountains this spring.

Among the workshops offered last year:

- Cell phone journalism
- Social media & audience engagement
- Digging deep with investigative reporting
- Crisp up your writing
- Photojournalism techniques
- Podcasting 101
- Sharpen your design for web, newspaper, magazine
- Legal issues surrounding high school journalists

We have a luncheon just for teachers, counselors and advisers where we'll let you know what's cooking at UM and offer guidance and advice for issues you're facing in your schools. We offer continuing education credits through the Montana Office of Public Instruction. If you're interested, we can reach out to Washington and Idaho OPI to secure credit. There is no cost to attend, but we know you'll need to schedule the date and make transportation arrangements in advance. Don't hesitate to reach out if you have questions and look for an official invitation in the New Year. Looking forward to meeting you and your students!

Sincerely,

Denise Dowling

Director-School of Journalism
